

Handling Statistical Metadata

Presentation to SSO 2006 Fall Seminar

Yiwen Chen

Statistical Metadata and R

Descriptive information
or documentation
about statistical data

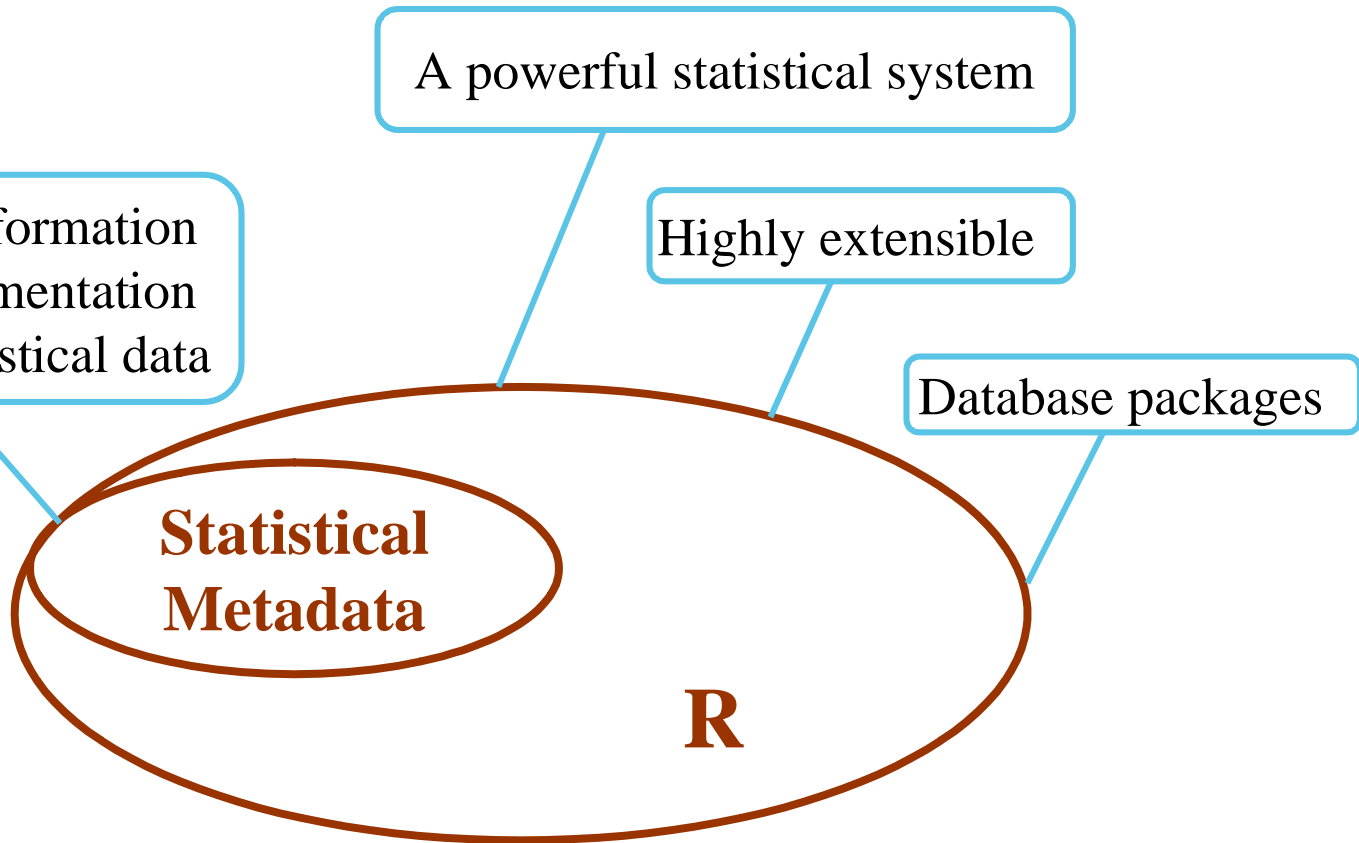

A powerful statistical system

Highly extensible

Database packages

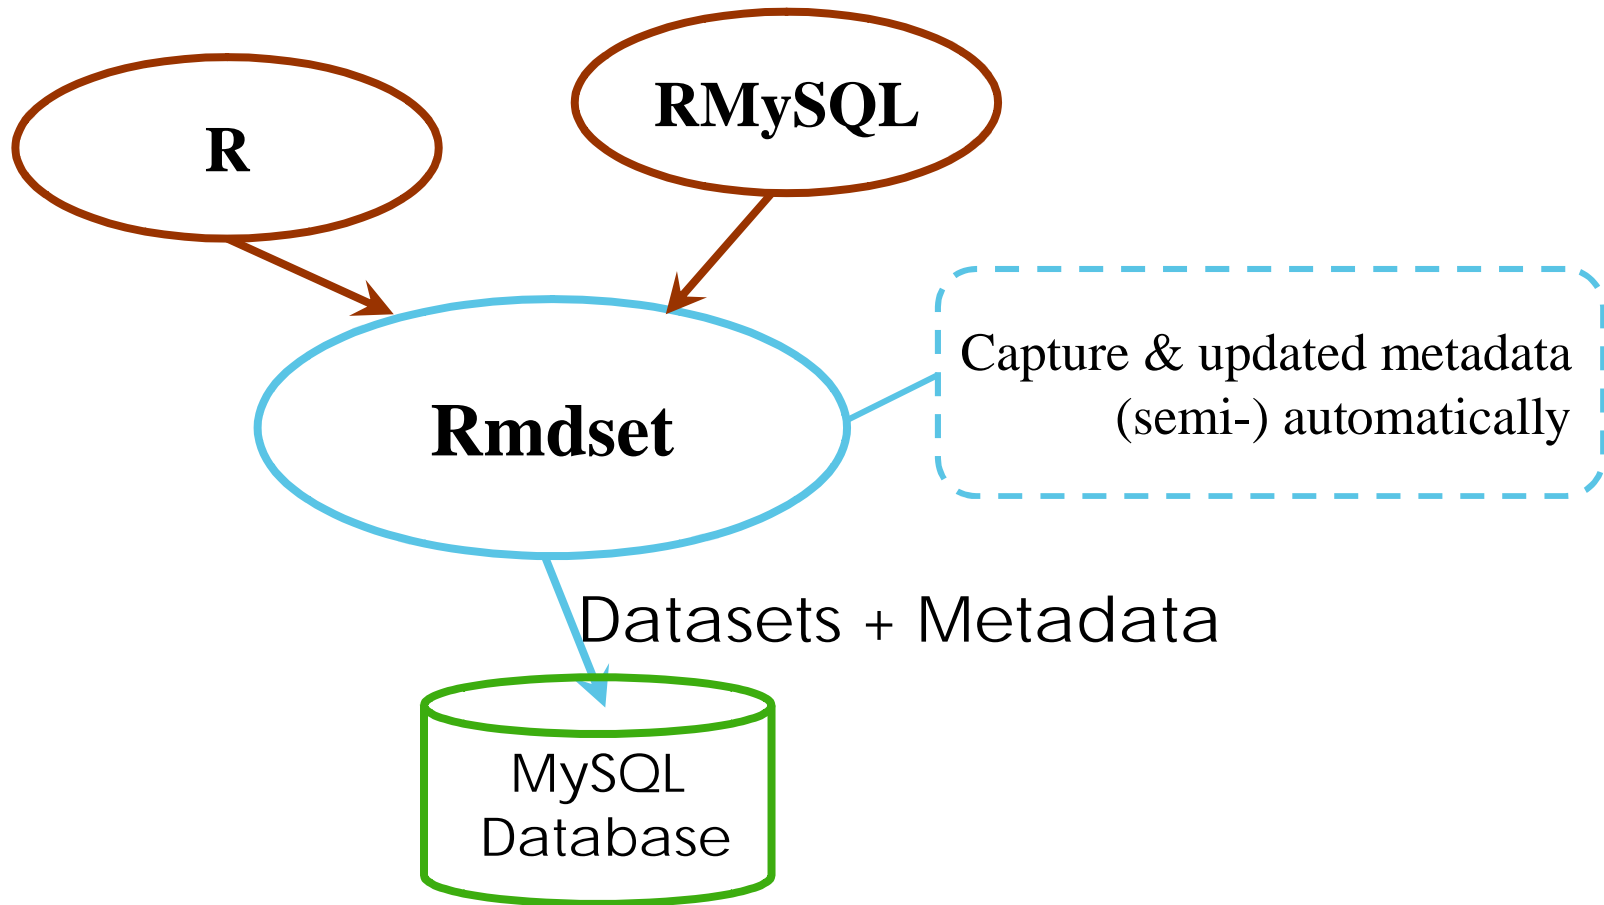

**Statistical
Metadata**

R

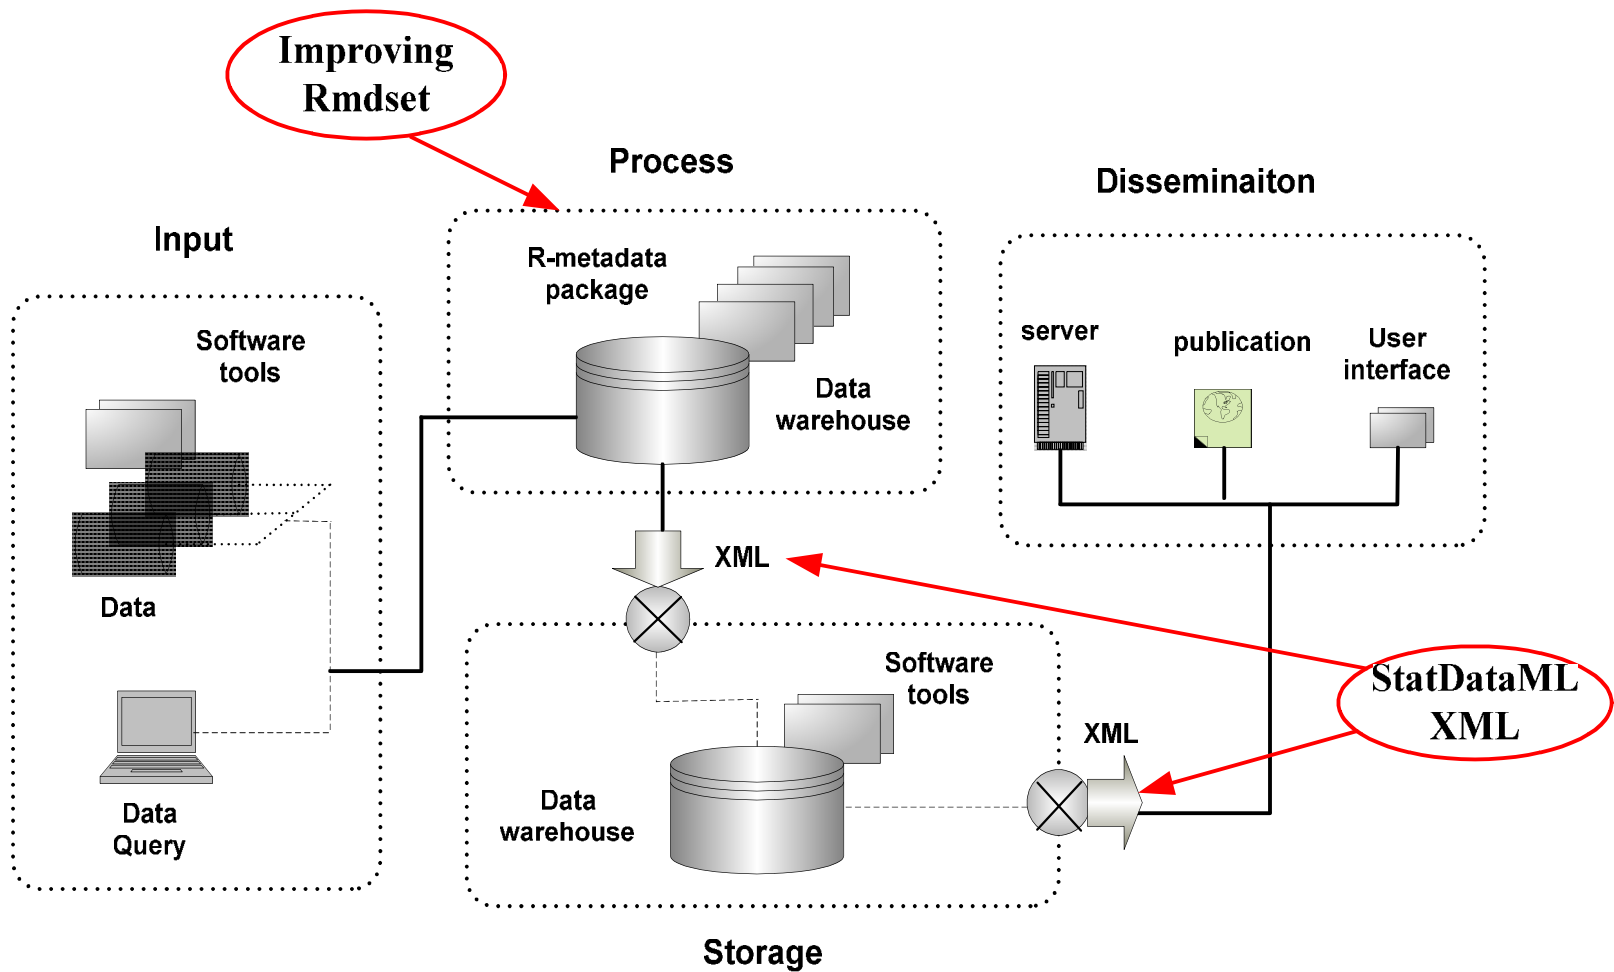

R-Metadata Package

Rmdset

An Integrated R-metadata System

Contributions of the Research

- Bridges the gap between R and metadata
- Provides an embryo of an R-metadata system
- Will develop a R-Metadata System for the Treasury Board project, ITERation
