

Statistical Consulting at CHEO

Nick Barrowman, PhD & Andy Ni, MSc

21 November, 2008

Clinical Research Unit at CHEO

- Launched in May 2007 following reorganization of the Chalmers Research Group
- Mandate: to support clinical research at CHEO by providing a full range of services for both the new and experienced researcher.

Statistical consulting

Statistics could be scary to physicians ...

Statistical consulting

Working with a statistician could
be even more scary ...

How to make statistics more accessible

- Efficient communication

What to bring when you meet with a statistician

How to make statistics more accessible

- Efficient communication
- Education
 - SPSS workshop
 - Stats workshops: standard deviation, sample size calculation, etc.
 - Key point: make the workshop *interactive*

How to make statistics more accessible

- Efficient communication
- Education
 - SPSS workshop
 - Stats workshops: standard deviation, sample size calculation, etc.
 - Key point: make the workshop interactive
- Humour!

©2005 JESSICA AND JOHN WILLIAMS

Standard Deviation

It's boring when everything's the same ...

An example consulting project

As this project is currently being submitted to a journal, slides could not be included here.
